

Introduction to Hands-on Exhibits

(All hands-on exhibits are available on a paid, first-come, first-served basis.)

[Main Building]

*To apply, please go to the Reception Counter in the Main Building (MAP ①).

1F

DC-8 Flight Experience (MAP ①)

This simulator for pilot training has been modified so you can experience what it's like to fly a DC-8 yourself.

Boeing 747-400 Large-Scale Model (MAP ②)

Get a hands-on feel for the workings of an airplane while piloting the large-scale Boeing 747-400 model from the cockpit. Enjoy projection mapping shown regularly.

Boeing 747-Section 41 (MAP ②)

A display of the nose section of a jumbo jet that once flew to Narita Airport. A paid guided tour is available that allows you to board the aircraft.

2F

[Experience Building]

*To apply, please go to the Reception Counter on the second floor of the Experience Building.

Simulator (MAP ③)

A Boeing 737-MAX flight simulator awaits you. Try your hand at this experience that feels just like flying the real thing!

Friends' Association

FLOOR GUIDE

[Main Building]

- 1F Experience Reception Counter/Museum Shop**
The museum shop specializes in aeronautical merchandise. Visitors are sure to enjoy the highly-varied offerings inside.
- 2 Boeing 747-400 Large-Scale Model** Purchase ticket
Watch how the aircraft moves while piloting it from the rear cockpit. Enjoy learning how flight control works.
- 3 Boeing 747 Engine**
See what a real jumbo jet engine looks like. Projection mapping is used to introduce the engine's internal structure.
- 4 Boeing 747 Fuselage Cross-Section**
A cross-section of an actual jumbo jet is featured to introduce its structure. You'll be exciting by its sheer size.
- 5 Passenger Cabin**
Feel free to take a photo as if you were on board. Sit back and relax.
- 6 DC-8 Flight Experience** Purchase ticket
Enjoy this flight experience through a boarding simulator.
- 7 Boeing 747-Section 41** Purchase ticket
A display of the nose section of an actual jumbo jet.

[Experience Building]

[Experience Building]

- 8 Simulator**
A Boeing 737-MAX flight simulator awaits you. Try your hand at this experience that feels just like flying the real thing! Purchase ticket

[Experience Building]

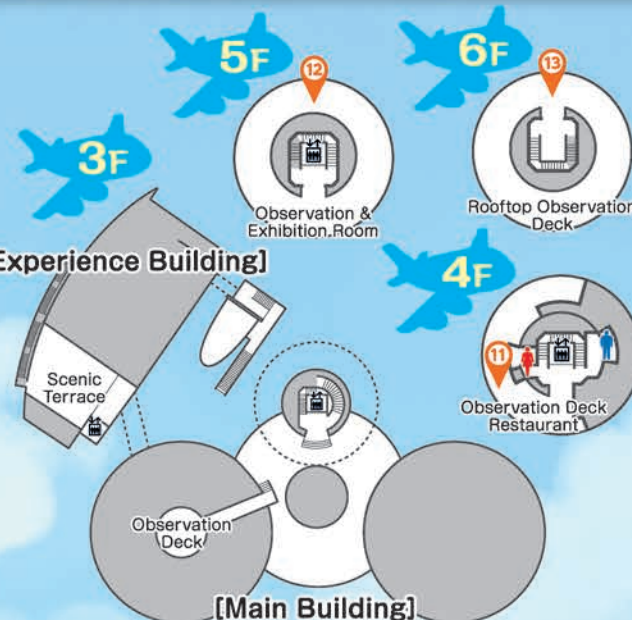

[Main Building]

- 9 3D Timeline of Aeronautical History**
A 3D timeline containing 300 models is used to introduce the history of aircraft.
- 10 NAA Corner**
Gain a variety of knowledge at the NAA Corner, which introduces Narita International Airport. (NAA: NARITA INTERNATIONAL AIRPORT CORPORATION)

We'd love to hear from you!

Please give us your feedback to help us make the museum even better.

Go here to fill out a questionnaire→

[Main Building]

- 11 4F "Balloon" Observation Deck Restaurant**
Enjoy a savory moment at Balloon, a restaurant where you can gaze at the aircraft arriving at and taking off from Narita Airport as you dine.
- 12 5F Observation & Exhibition Room**
Get a close-up view of the aircraft arriving at and taking off from Narita Airport. Instruments for air traffic control, such as a control console, are also displayed.
- 13 6F Rooftop Observation Deck**
Get a close-up view of the aircraft arriving at and taking off in all their glory from a prime location that offers a panoramic view of Narita Airport.

Outdoor Exhibit Corner

About twenty aircraft are on display here. The YS-11 Prototype Model 1 in particular is one of the museum's top exhibits.
